

SOLEN RESIDENCE

0

Solen introduces a grounded, natural aesthetic to Dubai Silicon Oasis - a place where architecture, atmosphere, and everyday function work in harmony.

With gentle materials, thoughtful proportions, and seamless layouts, Solen isn't just a place to live, it's a retreat crafted to bring clarity, calm, and a sense of connection.

JAMAL LIVING

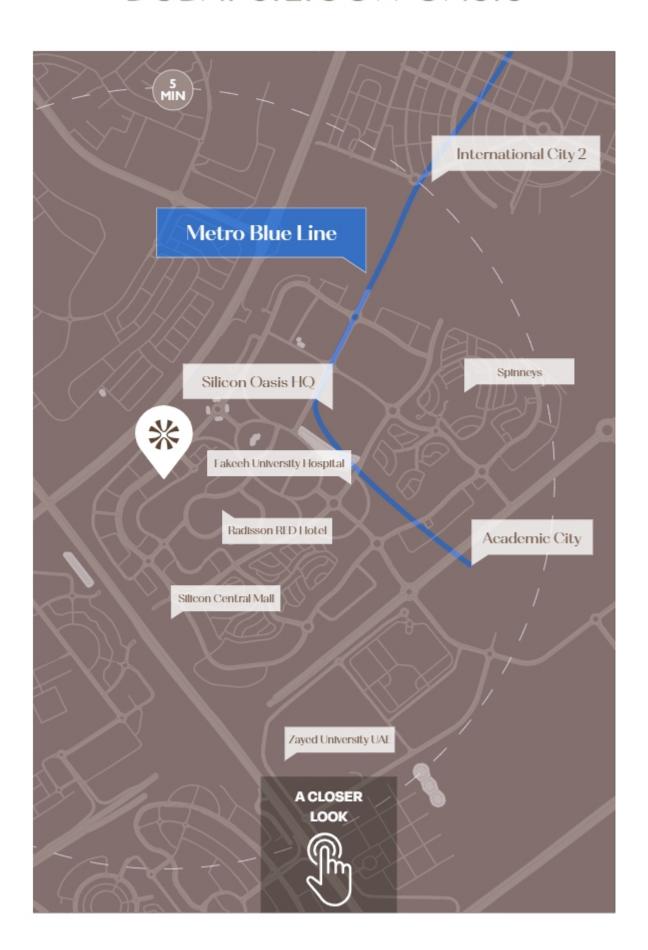

DUBAI SILICON OASIS

Is one of the most city's forward-thinking communities, a vibrant, self-sustained hub where living, learning, and innovation come together.

Solen's location offers seamless access to daily essentials, business centers, and cultural hubs, all while preserving a peaceful residential atmosphere.

ABOUT JAMAL LIVING

05

With over 30 years of development experience across the UAE, Jordan, and Qatar, Jamal Living has earned its reputation through attention to detail, genuine care, and a strong commitment to quality.

As a boutique developer, we take a personal approach to every project.

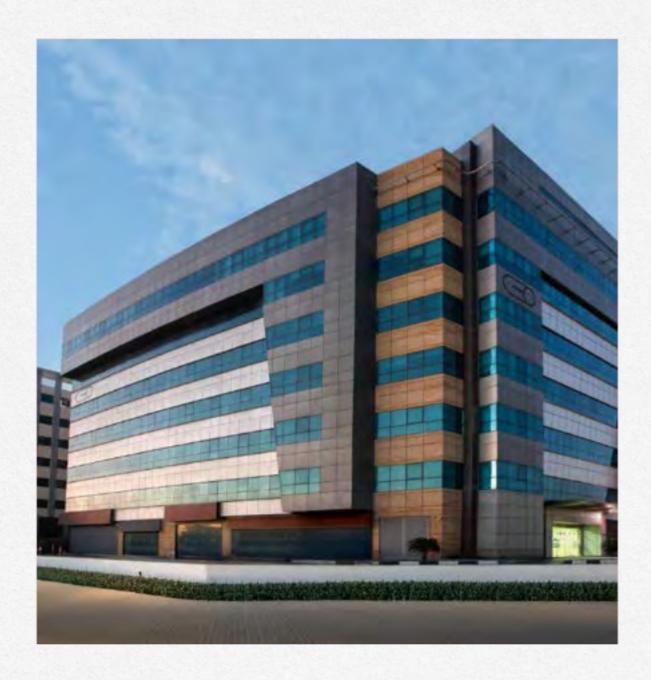

From start to finish, we're fully involved, making sure each project reflects lasting quality, timeless design, and careful craftsmanship.

Jamal Living redefines modernity through meticulously crafted residences that blend elegance, function, and enduring quality.

Each development is a reflection of their uncompromising standard, where architectural finesse meets thoughtful design, and every detail is curated to elevate daily living.

From the park-adjacent charm of The Lily to the urban sophistication of Azure Residence, their portfolio showcases a commitment to excellence and timeless appeal.

Known for delivering on time without compromising craftsmanship, Jamal Living creates more than buildings; they create distinguished addresses for those who value beauty, comfort, and a lifestyle without compromise.
