

Dear Resident,

I have been waiting.

For your quiet mornings. For your weekends with friends and family over for softly lit dinners.

I have been waiting for you. For the chance to make a home out of four walls and a roof.

For the deep satisfaction that settles within you when you're on your way back from work, from a long trip, from anywhere because you know you're heading home.

I have been waiting to be part of your every day. To build with you something that would last.

Yours sincerely
