

VAYLA

RESIDENCES

**MODERN APARTMENTS FOR A  
VIBRANT LIFESTYLE**

An aerial photograph of a large, modern residential development on an island. The island is surrounded by deep blue water and features a lush green golf course, numerous high-rise apartment buildings, and a marina with many boats. A red location pin is placed on one of the buildings. The text "LOCATED IN A LAND OF DREAMS" is overlaid in the center of the image.

LOCATED IN A  
*LAND OF DREAMS*

# MAIN LANDMARKS

*Whats around us?*

## 9 Luxurious Marinas

1,300 berths, high-end maritime, technical facilities and flawless security, designed for all types of residential and commercial yachts and ships as they navigate the Arabian Gulf.

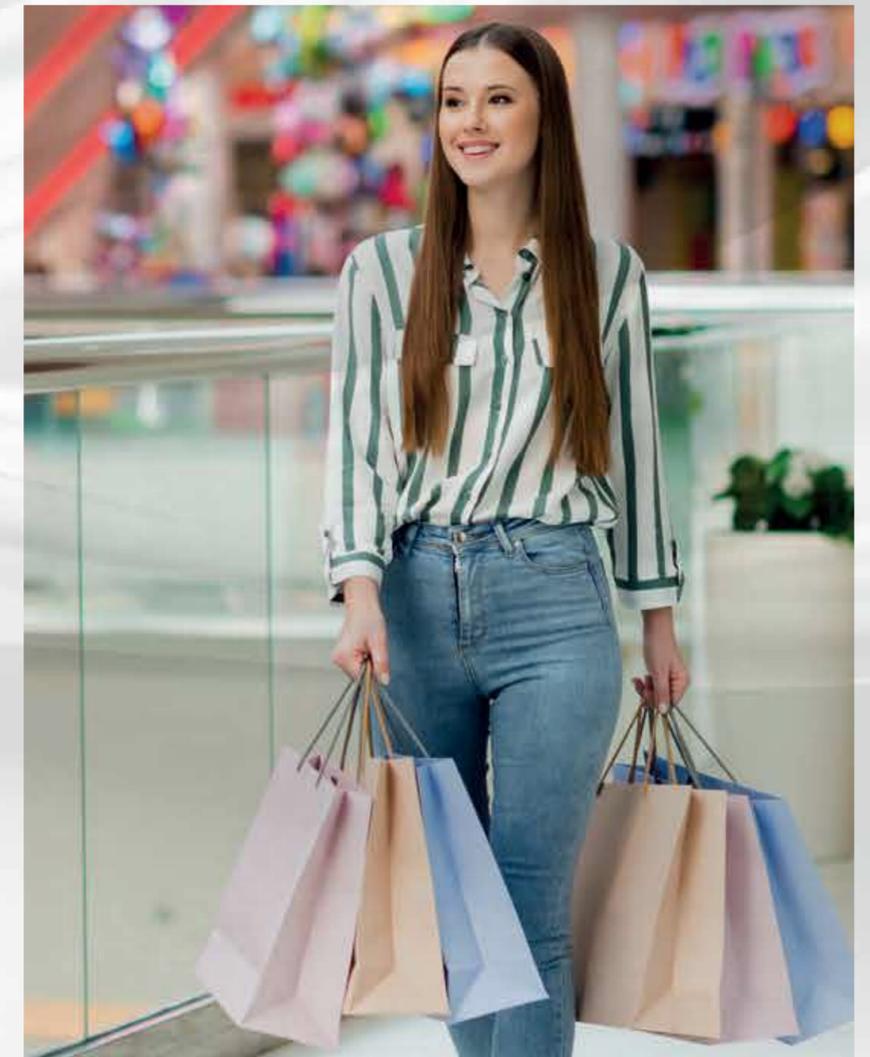

## 2 Golf Courses

A stunning 9-hole and a beautifully designed 18-hole course, each providing the challenging conditions for an invigorating round and improved swing.

## 1 Elegant, World-Class Mall

Luxury retail, elegant dining, lively coffee shops and vibrant entertainment

# VAYLA CHARACTERISTICS

## Space

Space plays a crucial role in fostering comfort and tranquility, which is why each residents features a seperate powder room, laundry room and spacious closet for added convenience. Chef-calibar kitchens elevate the dining experience, offering an inviting space for both family meals and entertaining guests.

## Connection

A series of seamless transitions take residents from one room to the next, from indoor to outdoor environements with ease, encouraging fluid connections on every level.

## Design

The building's wavy facade and meticulous craftsmanship set the tone for unique elegance on the beach. Rich interior design, wood accents and travertine finishes, create a harmonious living environment that invites a holistic approach to well-being.

## Smart

Each resident enjoys an integrated smart home system. Fully automated controls and remote access make it possible to manage curtains, lighting and other electronics from anywhere.

## Privacy

Balconies guarantee total privacy, thoroughly disconnected from neighbouring installations.

## Pure

Each resident benefits from a sophisticated water filtration system, ensuring clean, purified water for safe daily use.
