A dark green sports car is parked in a modern, curved building interior. The ceiling is a complex, curved structure with a ribbed, metallic finish. A large, multi-tiered waterfall flows into a pool of water in the foreground. The background features large glass windows and a curved wall, suggesting a high-end retail or showroom environment. The lighting is warm and ambient, highlighting the car and the architectural details.

EXCEPTIONAL

At SAAS Properties, we craft homes that transcend the everyday, offering an unparalleled experience defined by timeless design and refined aesthetics. We endeavour to create premium living space that seamlessly blends innovation and sustainability. With projects that set the benchmark for elegance and quality in the region, SAAS Properties is synonymous with luxury living in the UAE. Our acclaimed projects include SAAS Tower in Dubai, One Reem Island, Reem Five, Reem Nine, Reem Eight, Reem Eleven and SAAS Business Tower, in Abu Dhabi.

A modern, curved building with a glass facade and a rooftop pool overlooking a city at sunset. The building's design is characterized by smooth, flowing lines and a prominent white overhang. The rooftop pool is surrounded by lounge chairs and potted plants, offering a panoramic view of the city and the sea. The sky is a mix of blue and orange, suggesting the time is either dawn or dusk. The city below is densely packed with buildings, and the sea is visible in the distance.

Art of curves in
**CONTEMPORARY
ARCHITECTURE**

Nestled in Dubai Science Park, this exquisite development features an elegantly curved design, harmonising natural airflow to evoke a sense of openness and freedom. The two masterfully designed towers house a collection of apartments, townhouses, and duplex sky villas, each meticulously crafted with sophistication and timeless style.

A woman in a white short-sleeved shirt and light-colored trousers is adjusting the hair of a young girl in a yellow dress. They are in a modern living room with a bookshelf, a white armchair, and a potted plant. The scene is lit with warm, golden light.

The hub for **WORK, PLAY & LIVE**

In addition to being a hub for healthcare, energy and environment sciences, Dubai Science Park is minutes away from business districts like Dubai Hills Business Park, Dubai Media City and Dubai Internet City, among others.

Students can choose from some of Dubai's finest schools, from Repton School within Dubai Science Park itself to Nord Anglia International School and King's School in the immediate vicinity.

Golfers will love the proximity to Dubai's finest golf courses including the legendary Els Club. Your well-being too receives world-class attention thanks to the likes of Kings College Hospital and Mediclinic Parkview Hospital being right around the corner.

Effortless access to PRIME DESTINATIONS

Ideally positioned between three major highways, offering easy access to Dubai's iconic landmarks, the development presents an unparalleled blend of lifestyle and convenience. It's just a minute from Sheikh Mohammed Bin Zayed Road and three-minutes from Al Khail Road.
