The background features a dynamic, abstract composition of flowing, liquid-like shapes. On the left, a series of concentric, wavy lines in shades of blue and white create a sense of depth and movement. A prominent, thick, red ribbon-like shape flows from the top left, curving across the upper half of the frame. The overall color palette is dominated by cool blues and teals, contrasted with warm reds and oranges, set against a bright, hazy white background that suggests a sunrise or sunset. The lighting is soft and diffused, contributing to a dreamlike and ethereal atmosphere.
