## The small prince of contemporary art

The Babolex is inspired by the characters of Babar, the little prince, and other childhood heroes. The Kardashian family, Steve Aoki, Sheri Nicole, and Chris Brown are just some of the famous people who own a Babolex.

An aerial photograph of a coastline. The top two-thirds of the image are dominated by deep turquoise ocean water with visible ripples and small waves. The bottom third shows white, frothy waves crashing onto a light-colored sandy beach. The text 'THANK YOU' is centered horizontally in the middle of the image, overlaid on the water.
