

LIVE
WHERE
LIFE IS

Beautiful

Step into Belle Vie, where the rhythm of the city softens and the light wraps around you like a gentle embrace. A place where architecture meets intention and life slows to its own pace.

Set within Dubai Silicon Oasis, Belle Vie is a welcoming home designed to be your personal retreat.

CONNECTED TO WHAT MATTERS

Nestled within the thriving community of Dubai Silicon Oasis, Belle Vie offers a neighborhood where

Life unfolds with ease

Just steps away, Souk Extra offers easy access to dining, retail, and daily essentials, while Silicon Central Mall, a short drive away, expands your options with vibrant shopping and leisure. Innovation and opportunity surround you with Dubai Digital Park nearby, while top schools, leading universities, and Fakeeh University Hospital ensure education and care are always within reach. For a breath of fresh air, unwind in the park or linger by the lake as the light begins to fade.

With the upcoming Blue Line Metro station within walking distance, the city will soon be closer than ever, and with Downtown Dubai and DXB Airport also easily accessible, your world stays perfectly connected.

THE ART OF *Beautiful Living*

Rising gracefully over eight levels, Belle Vie blends intentional design with a tranquil atmosphere. Within its walls, 114 meticulously planned homes, from efficient studios to spacious four bedroom layouts, offer harmony and comfort. The dedicated podium level provides spaces for relaxation and connection, bringing balance to everyday life.

THE GRAND LOBBY

THE BEGINNING OF SOMETHING BEAUTIFUL

Step into a double-height lobby that feels both grand and intimate. Natural light dances through glass walls, illuminating refined textures and curated furnishings. Dedicated co-working corners invite productivity, while 24/7 security ensures peace of mind. Every arrival here begins with a sense of belonging.

In the gentle shift from arrival to belonging, there lies a space where elegance meets ease. It's not about rooms or walls, it's about the feeling that stays, even as you move through the day.
